Rate Fee Schedule

General:

The rate fee schedule and costs have been established by the Board of Directors to aid in the uniform and day-to-day operations of the Water District. The rate fee schedule is subject to change without notice to existing or potential consumers. All fees are considered a donation to the District and shall not be refundable under any circumstance.

A. Water Rates.

0 to 1,000 gallons usage \$26.00 minimum
 Rate for usage above 1,000 gallons \$5.75 / 1,000 gallons
 ***Plus sales tax (commercial customers only) and water protection fee
 ***Customers are billed in 100 gallons increments.
